ARTIST BIO

DL, was born and raised Dwayne Clark in Queens, N.Y. He grew up listening to music moguls such as L.L. Cool J. and Run D.M.C. DL knew in his heart that soon it would be his time to shine. Since the age of 14 when he rapped out his first verse "Only the strong survive, the weak ones already fell," he felt compelled to write about his woes through his lyrics and had it embedded in his brain that he would excel far past the pain. As years went on, it became more difficult to put his heart into his love because he was battling many realities of life. Leaving the hurt and pain in the past, DL has regained full control of his life. Never more focused, DL is now ready to claim his mark in the music era. Taking the world to a new plateau, DL is now prepared to get the clubs jumping and systems pumping with his sounds of music.
