### THE ALBUM

THE OTHER SIDE OF WORDS is a solid set of lushly produced guitar-driven songs with an innocent sophistication that immediately brings to mind Peter Gabriel, Dead Can Dance, and the smooth side of Pink Floyd. THE OTHER SIDE OF WORDS marks a return in music to a level of sophistication that all but disappeared in the 1990's. Meticulous crafting, beguiling rhythms, and a superb consistency mark this third album from Kyle Swager, Delvian Record's latest addition to the group of electrifying artists on the label. Rewarding, eminently listenable, and truly pleasing to any listener, this album will be a quiet sledgehammer in the coming breakdown of music that cannot stand the test of repeated listenings. THE OTHER SIDE OF WORDS has many sides to offer, but consider just one: IN THE SOUL (IN THE MIND), which is a new, fresh side of the beautiful moon than Pink Floyd so deeply explored.

### THE ARTIST

KYLE SWAGER is a young man marked by genius when he has a guitar in his hands. A serious young man of the old school, Mr. Swager is committed to mastering and changing many aspects of music, and the guitar is his passion, instrument, and agent of change. He also plays the bass, drums, keyboards, piano, and sitar. With two albums already well-received (INTO THE BLUE, RISE TO THE SUN) and a guest appearance on MORTAL LOOM's latest album, ADDICTED TO THE TRAGEDY, this young master has barely begun what is already a fast-rising career based on solid talent, commitment, and wide-ranging passion.

### THE LABEL

DELVIAN RECORDS has proven itself a champion of extreme artistry most recently with the second TOP-40 album from MORTAL LOOM, ADDICTED TO THE TRAGEDY. ML's first US release debuted in the Top-20 and was a major underground success that led to further sizeable sales in all major retailers, including Barnes & Noble and Borders. Working with such diverse acts as RAY'S MUSIC EXCHANGE, THE G-MAN and remastering the legendary SOPWITH CAMEL, Delvian is pleased to welcome KYLE SWAGER to the label. Delvian's 2003 plans include not only signing a dozen new artists but also changing the way music is introduced to the public. Ambitious? Certainly - keep watching because it's not bragging when you can back it up!

CD-1250
