KROQ Hardrock Semifinalists (09/05) THE FADE play exceptional rock in the style of Augustana and other hot Alternative Rock bands. Infused with the streets, heart and soul of LA, THE FADE is Hollywood Boulevard in a jean jacket, singing.

ARTIST BIO

THE FADE is four dirty, passionate daydreamers that came from four different corners of the earth to meet in the star-infused dream-making city of LA to form one amazing rock band. Audiences at THE VIPER ROOM, KING KING and listeners at KROQ have given THE FADE their yells, ticket sales and full support as the break into the national scene.
