### THE ALBUM

PARADISE, music that is beautiful, relaxing and mysterious at the same time. PARADISE takes you on a journey through the elements, balancing harmonies and rhythms with the ever-present feel of cool water, refreshing your spirit and delighting your senses. Orchestrated around a smooth piano core, PARADISE also includes a rich and sophisticated chilled ambient world along with acoustic mood music. PARADISE encourages meditation, relaxation and peacefulness.

### THE ARTIST

Vivian Khor's love affair with music started at the tender age of five years young playing Bach, Beethoven, Ravel, Debussy and Chopin, while steadily progressing to receive honors from the Royal Music Academy of London for Grade 7 Distinction in performance. She is influenced by movie themes like Nadia's Theme, Love Story, Ice Castles, as well as New Age composer Suzanne Ciani. She has known the heart of entertaining and enjoys audiences' positive and warm reception to her music. An accomplished pianist, public performer, arranger, and composer, she also has 15 years of MIDI sequencing, recording and producing. Her gentle and quiet spirit reflects her unique blend of sounds: artistic, subtle, distinct, articulate and tasteful that is welcomed by all regardless of age, gender, race, religion or culture.

### THE LABEL

DELVIAN RECORDS has proven itself a champion of extreme and beautiful artistry most recently with the second TOP-40 album from MORTAL LOOM, ADDICTED TO THE TRAGEDY. ML's first US release debuted in the Top-20 and was a major underground success that led to further sizeable sales in all major retailers, including Barnes & Noble and Borders. Working with such diverse acts as RAY'S MUSIC EXCHANGE, KYLE SWAGER, THE G-MAN and remastering the legendary SOPWITH CAMEL, Delvian is pleased to welcome VIVIAN KHOR to the label. Delvian's 2003 plans include not only signing a dozen new artists but also changing the way music is introduced to the public. Ambitious? Certainly - keep watching because it's not bragging when you can back it up!
